

GREAT BENTLEY PARISH COUNCIL

Great Bentley Parish Council Social Media Policy

Published: July 2023

Introduction

1. The use of digital and social media and electronic communication enables Great Bentley Parish Council (the Council) to interact in a way that improves the communications both within the Council and between the Council and the people, businesses, and agencies it works with and serves.
2. The Council maintains a website and two social media profiles on both Facebook and Twitter. The website provides open source information and both social media pages provides notifications to followers and not be commented upon. The Council will always try to use the most effective channel for its communications. Over time the Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur, this Policy will be updated to reflect the new arrangements.
3. This policy outlines the behaviours and standards required when using social media and electronic communication and the relevant sections cover all employees, volunteers, Councillors, and visitors of the Council's social media platforms.

25. As more and more information becomes available at the press of a button, it is vital that all information is treated sensitively and securely. Councillors are expected to maintain an awareness of the confidentiality of information that they have access to and not to share confidential information with anyone. Failure to properly observe confidentiality may be seen as a breach of the Council's Code of Conduct and will be dealt with through its prescribed procedures (at the extreme it may also involve a criminal investigation). Councillors and officers should also be careful only to cc essential recipients on emails i.e., to avoid use of the 'Reply to All' option if at all possible, but of course copying in all who need to know and ensuring that email trails have been removed.
